INFORMATION FOR BAND BUS DRIVERS

#1 – DEPARTURE TIME:

It is essential that your bus clears this area by 11:15 a.m., after that time it will be **impossible** to exit. If you are unable to clear by 11:15 am, you will have to remain on Christie Street until the entire parade has cleared, approximately 2:30 pm., and will be unable to meet your band at the end until several hours after the parade.

#2 – DIRECTIONS TO PICK UP AREA:

Upon arrival at Christie Pits (the large park on the northwest corner of Bloor Street and Christie Street), buses should head as far south on Christie as possible. All musicians should leave the buses.

The Buses will then proceed south on Christie Street, across Bloor Street, continuing south on Grace Street (the continuation of Christie Street), to Harbord Street.

Turn east (left) along Harbord Street to Spadina Avenue, south on Spadina Avenue to Front Street, east along Front Street to Church Street, south on Church Street to The Esplanade.

Parking is available on Church Street and The Esplanade, on both sides of the street, from Yonge Street to Sherbourne Street.

For ease of exiting, face south on Church Street or east on the Esplanade, as Yonge Street may still be closed for the crowds attending the parade.
